### Heal your body with ganban-yoku therapy

We have specially constructed rooms, where you rest on our 'anti-oxidant beds'. These beds consist of special ceramic tiles which release negative ion, that will absorb into your body to neutralise toxins.

### Benefits of ganban-yoku therapy

- Anti-ageing
- Repair damage skin
- Weight-loss
- Reduced cholesterol levels
- Reduced wrinkles and skin firming
- Increased immune resistance
- Improved blood circulation
- Relief of pain and stiffness
- Diabetic sufferers\*\* report reduced sugar levels after multiple treatments/health improvement
- Cancer patients\*\* report pain relief and improvement of general wellbeing

\*\* Improved health and containment of diseases are based on testimonies of people who have benefited after multiple sessions. We do not claim to cure any form of diseases or illness.
